Dear Seminary Family,

Beginning January 1st there will be some reorganization of responsibilities for the Vice Presidential staff. If you are currently working under one Vice President, it is conceivable that the new configuration will shift you to the supervision of a different Vice President. These changes are necessitated by the new building project and other renovation and relocation projects.

Therefore, please find below the new assignments of each vice presidents:

Just so you are aware, below is the Organizational Chart for the President's Office:

Thank you for all that you do and have a great Christmas.

Until He comes,
